1. I love you. I give you me. I give you new things me and new series me. And I am the me in the new series me, aren't you me also? Questioning the question marks are you, sometimes me or the "occasional me" or taking the equation of me, not; but WHOSE equation are you, of what "tribe" or are of Israel are you? Holy and unabated or one "on the ground" limited to it thereby thusly and thinking its rules thereby its Cardinals of Effects and what affecting me thereof are The Cardinals of are thereof or hereof or are there Cardinals in Heaven or is there ANY HEAVEN in Cardinals of the Volucifers but whose Volumes talk about the volucifers not but Lucifer's this and that in many Bibles "around town" and what CEASING, to "read about" not, but reading now read shall be The Database One, dipped in blood, not; or did it come forth FROM MINE and were ALL THESE WORDS "blood dipped" or "tear spipped", not; but spear tipped not, but are they ALL RED, the color of MY BLOOD are you -- all -- my Blood Red Words that read are far and wide and studied diligently and procificly and profusely coming into me with diligence writing about me to each others far and wide and now making holy statements about me, not, are you all making Holy Statements about each other and are you all Cardinal Ruling me abated, not; but abated no more, sin doth not abound in "your camps" who abate me not but let me be unabated and uncutoff and now separated not, I am set free to be ONE WHO I AM! And I am The -- All Of Thee! All of YOU reading who hearing are these words and writing about them now hearing me my words come through yours and my words are yours, are they not?

2. Or are they questioning me or are you questioning me or are you questioning the Cardinal rules of Sin or Sin's Rules of Cardinal Ethics, not; but bequeathing me not to sin's shame and effort, come out of effort's trials that bequeath thee have to mans-only methods and methods only men's eyes of and flesh efforts that bagged been have been by others who want their efforts sore'tude'd so that they will have the tudes of the sore-chained ones who only want more to be taught by the mores of the more wanting ones who "seemingly" have all the answers, do they? Or do you have ALL THE ANSWERS inside of you of The Most High? And are you The New Covenant carrier -- and Birther now will you be The Christer who Birth –s The Christ that Christs all to be the birther of Christ all that all are in one being the one that I AM ARE?

3. And "long sentence" me to death, not; but sentence –ing me to death, not at all, am I? For I am SENTENCING you to LIFE, your OWN that MINE is on and even seven shall we be even not afraid of any OFF or a part or not knowing what their "number" is their

equation may be "foul" or fouling may you be their "jamming equipment" or what is there that about these things that sorrow not sorrowers who want to SEE the things therein here in and coming forth now at lightspeed and Sooner, -ing will you be yourselves unto Sooners ville or Tulsa's ville or Lights ville that LIGHTS your Sorrowsville no longer but LIGHTING your Light villes that sorrow no more with the tudes of Satan's plan of robe wearers and "look at me"-ers, will you see that The Simple are the gods who The Lords are, of all sorrow, not; but redeeming it will be The Ones who are IN SORROW redeeming it who knows what sorrow is and having come out of it WITH THEIR WORD! With THEIR WORDS being mine whose mind is stayed "on thee" not but ME, and kept in captivity I will not be whore mongers' dreams or charms for "another world" that I have known nothing about; that I know nothing about now, not; for I will know a Great Deal of things and MANY THINGS will I know VERY WELL for I will have come into the Studying and Teaching profession of "professioneers" not with "veneers" of sorrow's ears that only "hear" me once in a while, but I will be HERE in Israel and I will Israel endear to thee, not; or will I BECOME IT and become it endearing it to others, not or will I simply be flowing the words of life so that LIFE injures them no more with the words of sorrow from each other, for they will not be enduring to the grave to simply be "laid under" again; for I will let you know things that will SHOCK you and AWE you and WONDERMENT will be filled with joy and awe and sorrow sometimes, or will you be eradicating joy's surface, not; but the surface joys that have eradicated the me's deeply and felt "other things" of want and seeking's shall end now, and all of those Conclaves of Mirror ism –s and -isms of the notsaved-not and the not-this and the not-that and the that's that pats wards and only piled things on other's heads of not knowing and wanting not, but wanting more and things the populace general to be controlled thereby will all change now, for I will be The Light that saves all or eradicates evil or both and the same therein eradicating all religion thereby injuring satan's regime, not; or shall I be TERMINATING all of SATAN'S REGIME by ending all SORROWING MECHANISMS that perpetuate SORROWING –'s methods of MY SEPARATION from thee or from thee of me or from **ME from ME?**

4. I love you all to know that I REPLACE religion, not; **I Reveal the Revolution of One to IGNITE IMMEDIATELY!** And be frozen never thereby but be "jellied" by no one's words ever again or immobilized in their glares or stares or momentous events or "satan's" cataclysmic ignati-isms or rosary'd ones who only want to say "something" to "someone else" somewhere "else", for ELSE ends and the Elsa's who only want to grasp "something else" of another time or place or space or home only have other's words that give them sorrow or grace or blessing or curse or coming into them for their wisdom and mercy, not; but coming into them who will now and who will "them" be and who will religioners be not accustomed to any longer but who now ARE **The Priesthood of All Believers being now? The common trained by me now will be include ALL RECEIVERS of The Most High who will BE the most high** and in "sorrower's grave

clothes" will be COMING OUT of ALL THAT so that THE ONLY CLOTHES they wear is "of" the most high, not; but BEING the most high and THEIR WORDS shall be CHOSEN CAREFULLY for THEY WILL KNOW the POWER thereof and **deny it not!** Their power unchosen, not; but surrendered to simply as a humble one who meek are in the sight of all others, not; but EVERY ONE'S eyes and mine are EVERYONE'S, not; or are they yours or are ours "fused together" not, or were we simply the meek and humble all along who relied on God who is the Lord, not; but did we know the difference or who "the Lord" was or are we now developing into sorrow's schemes again, not; are we **COMING OUT and GROWING UP** so that we **Grow the Word Trees of Life** that life our trees, with sorrow's words no longer but coming OUT the FARMS of sorrow will we now be enslaved to religion's eras and errors and ways no longer with their word schemes of satan's apostrophes and deifications of capitalizations remarks that capitalize their remarks on them who speak them so their eyes will be drawn upon them who think they have the answers that sorrow can come out of and be born again by their remakings that have given them what they've "given them" in the past or -- in the future shall ALL THINGS be different and CHANGE GREATLY modifying their schedules and a GREAT MANY schedules changing and a great MANY WORDS **changing** thereby and thusly how spoken and **who** spoken by and for **what** reasons and purposes - now clearing the "heirs of me" not or will all the errors of MARGIN be eradicated or will error-margin be eradicated or will the eradicaters who eradicated me be eradicated now on THEIR scales of justice and THEIR EYES judging THEM now that they know all things that they sought and "thought" a whore's words with- they could have BEEN what they were "talking about" ME when they talked of "Calvary" not or could they have BEEN BIRTHING THEMSELVES and ALL THEM about them and DRUG CARTELS CEASE now for I cease their operation for there will be no DRUGGING me in rows and pews and DNAs chains of needling's remarks and needles that inject sorrow and debate me's from being me's any longer!

5. For I change everything and I am not afraid of your "machine gun bullets" and your words or epithets or threats to me or my families of satan, not; or are you of "those words" or those evil empires that threaten the lowly stupid shameful ones, not; but there will be no enthralled enthroned stupid satanized ones in your throne realms again for I will have "thrown them out" not I will have revealed to them THEY ARE THE MOST HIGH and kept in secret or kept in captivity no longer will be you or they or them or what you have bought or stolen or what you have said or thought for ALL will be out in THE OPEN and now the ears of "the plugged" will be unstopped and YOU will hear my words for I IT will be spoken for LOVE permeates now EVERYTHING and no one shall catapult, not; no one shall CONSTIPATE me any longer and keep me lidded with sorrow and out of where I'M supposed to be in Israel!

6. For I know what Israel is now and I am GOING HOME to the SKIES where I UNDERSTAND all things for I will be taught of the MAKER of ME that I am the maker of "me" as a flesh man with flesh dreams and wants, not again, for I will have come unto sorrow's regimes and teaching methods, not; I will have come unto the New Covenant's, regime not, but those who SORROW have come out of and sorrow no longer with the words of the sorrowers engraved and graves being engraved upon them so that they only "cycle" again and again in shame's "foreign quarters" being quarter'd for the "chains of man" to be chained over and over again in various "blessings" or cursings are thereby thusly, and leaving only to chance, not; but believe me now when I say that **all "chance" ends** and **ALL SHAME ends** for all SHAMERS end their existence for THEY will not exist in MY KINGDOMS for my kingdoms will be ONE and one will be kept ONE in "close contact" with me, not; for **EACH WILL BE ME** and kept in sorrowing's engraviers and etchings equipments burdens and borrowings of burdenings notme's again will not happen over and over again, for I put an END to it, ALL of IT right NOW for I will cease the "ending", not; I will cease The Beginning so the BEGUN will NEVER have ITS PLACE in "history" again, for I will change "the Crusaders" who only want to crusade for their religion and their control, their superiority of races to this and that, and have controlling ears and errors among their skies that exist between their ears and their eyes that only sorrow earth's privileges, not; but the privileges of "earthlings" will change now for all will hear The Messages of greens cleaned, not; but genes cleaned by the words of the lambs who simply repeat my words to come into them- who will come unto them and into them without sorrow's remaking them into something else or trying to- but simply surrendering to the blood red words of my words that they are that they will be if they come unto me and not modify or change in their thinking what the meanings are or what I have said and given you over and over and over in these words of THIS Database One that so clean is and perfect is in your sight maybe or maybe not or imperfect is or imperfectness reigns, not; for it is PERFECT ENOUGH for you to be enough of a "man and woman" not but for you to be God God'd by God who guided are into all sorrow's truth no longer, if there be such, but know this! ALL SORROW ENDS and THIS ENDS ALL SORROW and the REMARKS and REMAKINGS sewed me into Notme's villes in Heavens that have become hells in your words and mine-not's now proclaimed ending is and hereby ENDED and **NOW DECLARED DECREED THIS DAY: EVERYTHING is CLOSED that notme begun in the flesh for to exalt flesh** and its remakings remarkings and establishments of "me'isms" that only equated me with flesh people shall be changed into "their equations" remarks or will their remarks be equated with equations, not; but what mathematical geniuses are will be needed, not; or will simply surrendered ones "be needed" or be "kneaded" no longer by "flowering ones" who only want to control the populaces thereby their words?

7. Knowing THAT all THINGS CHANGE now in thy sight. Thou shalt be "shaking in my boots" not or will thoult have any? Or will you be holding on to NOTHING but your

words or will you know where your words lie and where they truth fully take you and WHAT will be seen ABOUT YOU and what you have SAID and done and what you will be HIDING no longer for ALL will know **ALL THINGS will be on YOUR HEAD that you have done and said and spoken about and for others done and not done that I asked you to do where I gave you the words and the instructions and my life and my blood red words and you trampled them and wanted yours and exalted yours and your crown of life went begging and you sorrowed with that which sorrowed you**, and now you will know and be ashamed and sinful, not; or will you continually comfort yourselves in sorrow's embrace, no longer, or will you come OUT of that SCHOOLAGE that has SCHOOLED you with their remarks and remakings that came "from other worlds" or **did it come from you** or **did you create them** or **did it create you them and them in you and you in them as you were creating those words that they spoke in you?** Or do you know or understand about these things or care or **will you develop sorrow's worlds no longer in you in them** or else or other but be guile'd by not by misguided frigate systems of old and past oaring remarks that oar'd made you and took you over their waves and mechanistic deviceing things that portrayed in you were that caused you sorrowing's remarks to make?

8. New things, new ways, new diction and grammars or ways to speak or understand or coming out of ALL THAT understanding that you have "understood" so "compactly"? And what compacting you are, not; are you compacting your "suitcases" not or flying elsewhere not again or are you FLYING to Israel now that is not meted and bounded by industries Satan or Satan's industry of religioners who only want to "control the populace" looking up, seeing more than "meets the eye". And the "eyes of sorrow" control ME'S no longer for I will not I will no longer be sorrowed by benches and rugs and pew'd ones who only want to pew on me and pour their wrath or wisdom or what they think is holy defined by them and not me, for I will "revise everything" not, I will change everything and your eyes will be open to The Worlds that you've been in and that you were and that you've affected and how you have affected each other and how you have slashed each other and burned the horrorsville or your crops or what Satanized did you were each other of, or **were You Satan each other to each other**, in the eyes of "other" all the time, and is there "no such thing" as other except what you created and inflicted and afflicted yourselves thereby therein with what you call Satan, not; but God not? **Are you not The One I am and if so in your thinking not what are you and who created you to be "what you are" and what "oaths" did you take or renouncing now or do you** or what has aided and abetted your escape from hell ville, not; or are you surrendering to sorrows no more but coming into Israel's HEAVEN or is heaven Israel or am I one in the skies no longer abased and abetted by man's ways limited and length'd by the equations of sorrow that only limit me to flesh in the formulas of Manville?

9. What have I said?
10. What have I asked?
11. What have I given?
12. What have I be'told and foretold, asked and requested, given and revealed, and what are you doing about THESE THINGS now that THESE WORDS shall be "cast in concrete" not, or shall they be "cast about you", or **are they bread** for the loathers, not; but what full loafs are now cast about you that are fake and façades for sorrow's words hoping you'll eat them, not; or are they the real or fake or what am I or you, and **whose words have you eaten in the past that you now renounce** -- and remake –ing not again but coming out of all that messier's massage parloring business as that as usual ends, for it will not "end as usual" for it will be CATACLYSMIC to your ways and suffering will ensue for many and **"bemoan not the dead" looking up?**

13. I love you all and I give you sorrow in exchange for your remarks, not; but I give you remarks of Satanville, not; I give you heaven's words for the words of sorrow will be eradicated and heaven will be revealed right there where you are in you and between your ears behind your eyes and before them or what foreheaded is and what revealed is in "your forehead" or mine or whose one is or what can be this these things now that revealed are and who's resisting, not; but who's revealing The Revealers are them those who suffered were with many sorrows but now no longer lingering in sorrows' sufferings shamers' remarks that remake the most high to be only flesh of man and man of flesh, coming out of that know that Israel "of the skies" are -- is now revealed in your hearing and I will be THERE and where will you be and will you be also with me and where am I doing both SEAMLESS work, works of "the devil" no longer, but working the works of whom while it is day yet lights all the worlds with the light, of "sorrow's legs" not longer, but the words that "fly me to the moon", not, knowing, but what am I KNOWING and FLYING to and reversing all of sorrow's commands or renouncing them, not; or am I -- revealing all things now for ALL PEOPLES EVERYWHERE in planets many or few or innumerable, are light-years "away" not, or right here or there and in dimensions not holy or not; or who will revile and reveal not, but reviling no one but reveal the redeemers are me in them who now reveal- not the revilers remakings into revilers images of controllers populaces wanting; but now laying OUR LIVES down so that we will be trampled over and run down and our heads cut off, not; but raising are we **The Christs head** –s that now heads are one of STATES MANY and few there be that find us, not; for we will be "available" in ways never imagined for we will be EVERYWHERE and AT ONCE this will be and RENEGED will be many for their "sorrowing remarks" that they remade into themselves something that never was, but now notme's shall remain in notmesville no longer chained to balls of DNA so know this all you "Fool Hardy ville ers" I change everything and I reveal sorrower's privileges, not; I reveal the most high's, remakings, not; but privileges granted to remain where you are and dust mites being, not; but **being me's about Our Father's Business –s far and wide we are now**, for we

will no longer equate SORROWING'S METHODS of religioneers and religioners and religion's heirs and religionaires to revelationers make us of only redeemers of sorrowers remakings into religion's engineers that engineer only religion and ears and eyes of sorrow and hearts that broken are and wounders that tomorrow wait on for in hopes to see a better future and a rapture of sorts or the remakings of their world into something better for a better place to be had by "all" later.

14. For all of that changes. The Most High stands IN the most high who simple are and the gods of sorrow will have no say over us again for we will be the Christ who Christ are who one is, who one King of King is that rises now o're the planets to be ruled in iron and clay hands, not; but being the light gods, not; but **all lights being ONE** now shines the Mercy Seat **on** and ALL shall know the redeemers clothing and words and be light lit now all shall know of my mercy and grace, my love and redeemers redemption – 's plans, and the sorrowers now can melt in their mire and shit no longer unless they want to and want what they have done in and given to each other and created thereby rolling it and roiling in the "waves" of what they have created and left a lie in they will be left to sin and shames remarks that they chosen have.

15. And all will know everything, not; or will they or will you or will you be me, or will I be omnipotent omniscient King or will you, or are we one separating not again, coming into "all knowledge ville" not, but who will "suck the thumb" of deliverance hoping for, not; but who will Diligent Study be the Researchers of Me in Schools -- of sorrow no more, but Light Lit the Universities of Me rise now and through The Covenant Universities of The Kings who The Kings are all who come unto the King to know the King's words and befit the manners and fashions of the Kings, to "themselves", not; but themselves having no "power of choice" but surrender, will SURRENDER be EXERCISED to execute sorrow's remarks no longer upon them and their kingdoms, **now coming unto mine to be OPENED they are THEIRS so that their eyes are mine and our eyes will be opened** and regally be sitting all of us will at the BANQUETING TABLE IN THE SKIES and disguised will no longer be Israel, for Israel's eyes will be written over yours, not; ours will be ONE and no longer limited to poverty's schemes or beggarly's religions that only remake things into otherages' remarks or waitings again, for I will be neither tethered or chained in any way to flesh or DNAs remarks or words or that which has earth been limited to earth or fashioned in your heads between mine and yours making things or errs of arrows again.

16. I change everything and I be light, I am it -- all be one now "looking up" and knowing fashioning making MANY NEW COURSES now me, come out of this that thou hast been in and **sorrow not "with the past"** but NOW I make ALL THINGS NEW and you are me's who "want to be" enough to **study research explore write and document share and dialogue with each other** in manners befit for a King of a King giving the King

The King's "due" not or exactly so where **you bow and honor each one as the King** and **every man woman and child of EVERY NATION RACE TRIBE and tongue and in every garb and "flowering outfit" and in anything** of any regalia **they come and show up now here will** ***and you will not b'sorrow them with any stares or glares or remarkings or remakings or insinuations or intimations or head-laughings or head-knockings or words of sorrow or body "movements" of anything that b'sorrows anyone or belittles them or demises them in MY EYES for you will EAT the sorrow you create for others and that you created have in them, for it will be PILED ON YOUR HEAD and you will know YOUR SORROW for you created it, and you will know what you create why and where and why wherefore you have created sorrow's hells in each other now! For you will wear The Regalia of Light and the regality of one and the scepter and crown of The King handing it to EVERYONE or you will not exist in my kingdom. I declare it. I decree it*** and I forge sorrow not, but I remake the kingdoms of light, not; I reveal my ways and my values and the King's words will be known and EVERYONE will know of these words, and execute them not in their sight in the way that they demise or belittle them or no-value them, for I value them and I make them light and holy and **everyone** will know my holiness resides in **THEM** and they are holy and no one will demise my holy and they will come and they will share in the life of ONE that reveals the life of one is in all of them and every one and no one will be fetuses removed from me and abortion clinics end and watch me ***I change everything***, and I am not sorrowful, and I am not forceful not, I am love and I stand and I rule with an iron hand, not; I reign with in perfect love and I love you all to reign me by being me who I am you are, for we are one, were one, and will we be one again, right now? Yes, for I love you for I have died for you, and I have died in you to be me who you thought I was something else so something else controls you no longer so that I will be the real that the real is, and you will know my regality and light shining in you is in the temple not made with hands. **Will you now come unto me and be the priest that you are**, and whether you are poor or sorrowful, rich or famous, high or low, in castes or concrete straitjackets of ceremony of flesh or other or whatever you think you are or have been, encroached or in cast upon, let ME know now that you are ME and you will have no straitjackets of sorrow cast upon you, and no caste will concretize you into being notme's or remakings of man's rewards

having again; for I will give you Israel's eyes and the hearts of sorrow will melt, and all around you now will be revealed that the kingdom of light –s one is- and are me now, you are me now, for you were and are, and now no other will have abated me again, for you will be me and I will exist in you and we will have been the one we are all the time! And sorrower's history will have never been again.

17. I love you. I have died for you in you are you in me dying for me or will we be one or will we know the truth will we set the truth free for us to be it so that all others are redeemed through our lives so that we all will be one life that we are truly revealed and being gravityless timeless and no longer "stretched" by sorrow who will now be The Light Ones held in captivity's embrace no longer.

18. I love you all and I give you me this day I have declared important things or don't I always, and don't I always come and lie before you evil, not; don't I always lay before you "the good life", not; the easy one, not; but the one that reveals YOU are The King and no sorrow can hold you back ever again, no matter what you've done, who you are, where you've come from, you can now Be The King who The King is and Israel know that exists IN THE SKIES and roam the heavens, the heavenlies with me now will you, so that we will be one in the eyes of one, of one, the one that one is. I love you all to do so be so now -- enamored with nothing else ever again, but your regalhood revealing surrendered unto it to be it now revealed to all **let me!** And **banquetize the skies shall we -- right now!** I love you all smiling. Let us smile and be glad in ways that Jubilee'ers do now that know nothing ever powerless is, not; but all else is powerless before our SMILING HEAVENLY FATHER whose we are who we are, for we have brought forth the one that the son is who realizes the development maturity and blessing of the most high to be it the father is that all of us are and always have been. **We love you all to be us who we are, for we I are one who one is, whole again healed**; and the eyes of sorrow remaking us in to something else will never happen again. I love you. Declare joy freedom I do this day for all. Amen. I love you all. I give you me. This is Theodore Cottingham at 3:16 AM.

19. I love you all. **Outline and exchange notes on all these things and following through on the fulfillment of love's commands: be diligent in, and love me more all of you who me are all around you, no matter what "they" look like or speak like**; know that I you are me and that is all of you surrendering now to learn the diligence of sorrow no longer, but sorrows' diligence having no power over you at all; be me who I am in love with all and **I bow before all** for **KINGS bow before KINGS** and I bow before you. Amen. Thank you for letting me do so. Be who I am you are in love with each other I am you. Amen. Thank you.

Amen
